3.0.0.11. The African Union has warned that the violence afflicting Sudan has reached such a level that it's causing Africans to flee to safety as the conflict drags on. "The security situation in Sudan has deteriorated recently, with the collapse of the peace agreement of January 2019," a statement from the AU said. "The latest internal security

reports show an increase in
violations of human rights,
targeting of non-governmental
organizations, restrictions on
freedom of expression and
peaceful assembly,
